

Description:

The Lifan cold water pressure washer is best suited for domestic hire customers and is perfect for retail. This washer delivers an impressive 3000 Psi/206 bar water pressure and a flow rate of 12.6 litres per minute. Powered by a Premium 196cc Lifan Engine and a direct drive Triplex Pump ensures reliability and performance for increased revenue.

Designed to handle the toughest of cleaning requirements and makes it the perfect machine for cleaning all kinds of equipment and vehicles as well as cleaning many different types of surfaces. This pressure washer is supplied with a 10 meter High Pressure Hose, a professional gun and stainless steel lance, and is also supplied with a set of five quick connection nozzle tips. The fittings are quick release and the unit's handles are foldable for easy transportation and storage.
