

Description:

The Elite RVK60 L Class Wet & Dry Vacuum is a commercial machine used for various applications. Used either as a dry vacuum or a wet vacuum (To use as a wet vac remove the dry filter) the generous 90 Litre tank can be emptied when used for vacuuming fluids by the drain hose located at the rear or for dry material simply remove the complete motor head (held on by 2 latches) and empty.

The RVK60110 comes with a Flexible Suction Hose, Steel Lance and attachments as pictured.

This commercial Wet & Dry Vac unlike most other machines has a robust high impact blow molded tank which withstands the rigors of transporting and being used on construction sites and is rust free.

Product Code: RVK60110

Specification:

- Power Supply: 110v 50Hz
- Input Plug: 110v 32amp
- Maximum Rated Current: 18amps
- Twin Motor: 2 x 1000w
- Airflow Volume: 106 l/s
- Tank Volume: 90ltr
- Filtration Class: L
- Dimensions: 44 x 44 x 109cm (LxWxH)
- Weight: 30kg
